

Government Polytechnic, Daman

Department of Computer Engineering

Session 2019-2020 News Letter

This year was fun-filled with a lot of thrilling activities which included both technical and cultural. The students had the opportunity to participate in events organized at the college level such as Janmashtami, Dushera, Unnat Bharat, Swachta Pakwada, Ek Bharat Shrest Bharat, Beach Sarathi and in poster presentations, freshers party, teachers day, alumni meet at department level as well.

Orientation/PTM

Orientation was organized on 03 August 2019 to welcome the students who had taken admission in first year. Dr Suhas V Patil, Principal had congratulated the students for having secured admission into computer engineering which is presently most sought after course. The parents and students were briefed about the rules and regulations of the course by Head of the Department.

Teacher's Day

Teacher's Day was celebrated on 5 September 2019, the arrangements for which were made by the students of the department. Faculty of the department expressed their views that a teacher is always happy when student is successful in life and motivated them to finish the course with great success

Freshers' Party

Freshers' Party was organized by the students of 2nd year to welcome the newly admitted students. A lot of refreshing games were conducted for the freshers as a part of this event.

Alumni Meet

Alumni Meet was hosted in the department on 13 September 2019. The students of 3rd year have coordinated in arranging for this event. The students had good interaction with the passed out students. The students who are presently pursuing the course were made aware of the importance of Alumni.

Poster Presentation

Poster Presentation was conducted on 4 October 2019, in which students prepared posters on current trends in the field of computer engineering like Cloud Computing, Mobile Security, Firewalls, Versions of Android. Faculty of other departments have judged the posters. Dr Suhas V Patil, Principal expressed that such events give exposure to students on the latest updates in their discipline.

Parent Teacher Meeting

Parent Teacher Meeting was held on 1 February 2020. The parents interacted with faculty on their wards regularity to college and also their performance so far.

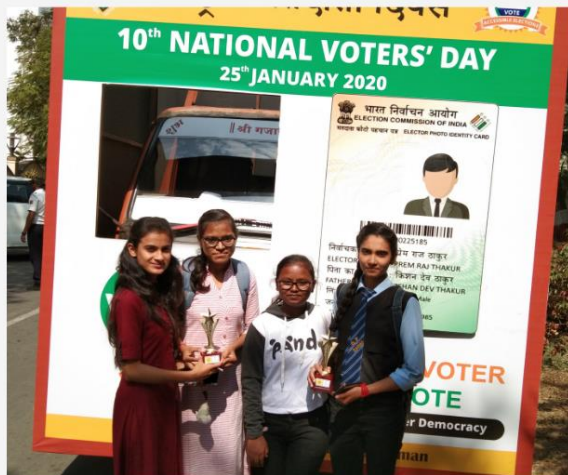

Seminar

A seminar on How to become Industry Ready? was delivered by alumni of the department on 6 Feb 2020. The talk was delivered by Mr. Sagar Kumar Jha, Founder of Software Power Hub, employee of HCL Technology, Delhi. All the students of the department had an opportunity to know the industry requisites they need to inculcate to enable them acquire a job.

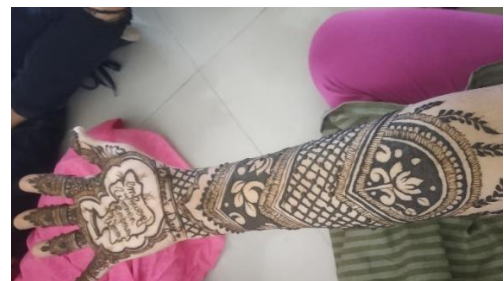

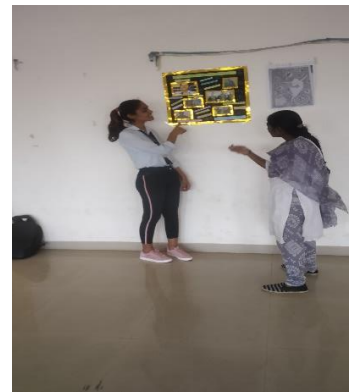

Student Achievements

Vishakha, Riddhi students of VI semester have secured third prize in Rangoli competition held by the UT administration on behalf of National Voters Day.
