World Environment Day Plantation Drive at Government Polytechnic Daman

On 5th June 2023, in celebration of World Environment Day, a plantation drive was organized at Government Polytechnic Daman, under the supervision of the NSS Coordinator, Dr. Ranjeet Yadav. The event aimed to raise awareness about environmental conservation and promote a greener campus. The drive was attended by the college staff, students, and our esteemed Principal, Shri T. Balaganesan.

The plantation drive commenced at 11:00 AM in the college premises, with a gathering of enthusiastic participants eager to contribute to the noble cause. The event began with an inspiring speech by Principal Shri. T. Balaganesan, highlighting the importance of environmental preservation and the role of educational institutions in fostering sustainable practices.

As a symbolic gesture, Principal Shri T. Balaganesan planted the first tree sapling, signifying our commitment to a greener future. The sapling was carefully chosen for its native species and its ability to thrive in our local climate. The NSS Coordinator, Dr. Ranjeet Yadav, and Smt. Bharti Chaturvedi, Dy. NSS Coordinator also planted several saplings, setting an example for the participants.

The event witnessed active participation from both staff and students, who eagerly joined the plantation drive. Participants were divided into groups, with each group responsible for planting and caring for a designated number of saplings. The enthusiasm and dedication shown by the participants were commendable, reflecting their commitment to environmental sustainability.

The World Environment Day Plantation Drive at Government Polytechnic Daman was a resounding success, thanks to the active involvement of the staff, students, Principal and Co-ordinated by NSS Coordinator, Dr. Ranjeet Yadav. The event not only contributed to enhancing the green cover on our campus but also raised awareness about the crucial role each individual plays in environmental conservation.
