A REPORT ON “NAVRATRI FESTIVAL - 2023”

1. INTRODUCTION: NAVRATRI – THE FESTIVAL OF BELIEF

- ✚ Indians celebrate this event with great excitement and zeal every year.
- ✚ The word “Navratri” refers to “Nine Nights,” throughout which the goddess Durga is celebrated in various forms.
- ✚ This event, which is most prominent during the autumn festival of Sharad Navratri, represents the triumph of good over evil.
- ✚ Devotees engage themselves in prayers, fasting, and observances of culture for nine nights.
- ✚ We dedicate the nine days of this festival to the nine avatars of the Goddess Durga.
- ✚ Every day, a distinct form of the goddess is venerated, symbolizing qualities like as strength, knowledge, courage, and purity.
- ✚ As individuals wear traditional garb, these forms are paired with distinct colors, producing a visual spectacle.
- ✚ The nights are brought to life by vibrant dance traditions such as Garba and Dandiya, where attendees gather to celebrate and interact.
- ✚ Apart from its implications for religion, Navratri is a vivid reminder of India’s diverse cultural heritage.
