**SWAYAM-NPTEL Local Chapter**

Its pleasure to inform you all that Government Polytechnic, Daman is now registered at NPTEL (National Programme on Technology Enhanced Learning) in the list of local chapters for providing an ocean of opportunities to students and staff members.

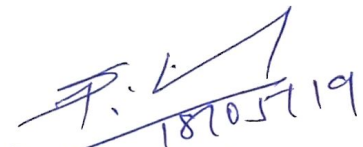

NPTEL is the official SWAYAM national coordinator for engineering branch. All NPTEL online certification courses are SWAYAM courses too, and they are available on the SWAYAM platform as well. Establishing NPTEL local chapter is one of the important requirements as per UGC and AICTE.

NPTEL has been offering Open online self-study courses with certification of 4 (set I & set II), 8 (set I & set II), and 12 weeks duration respectively across engineering, management, humanities, and science streams since March 2014.

To take this initiative forward and to encourage more students across our college to participate in this initiative, we created and engaged in a fruitful relationship by establishing an NPTEL Local Chapter in our College. You are advised to join the various courses of your discipline/Choice.

Website: [www.swayam.gov.in](http://www.swayam.gov.in) or you may also contact SPOC-Nptel local chapter of our college for joining the course.
